

2011 YOUNG VIKING LIST

When ten-year-old Newton dresses up as an unusual superhero for Halloween, he decides to keep wearing the costume after the holiday to help save townspeople and eventually his injured brother.

When thirteen-year-old Logan and his family move into a run-down old house in rural Virginia, he discovers that a woman was murdered there and becomes involved with his neighbor Arthur in a dangerous investigation to try to uncover the killer.

Twelve-year-old Liam, who looks like he is thirty and is tired of being treated like he is older than he actually is, decides he is going to pose as the adult chaperone on the first spaceship to take civilians into space, but when he ends up in outer space with a group of kids and no adult supervision, he must think fast to make things right.

Follows the development of an endearing kitten abandoned in an Iowa library drop-box into an affable library mascot who made many friendships with the library staff and patrons of all ages.

In late-twenty-first-century England, the Bell family, looking to replace their malfunctioning robot, buys Eager, who is programmed to learn through trial and error like humans and who, with the Bell children, comes to see that something is not right with the BDC4s, a sleek, alarmingly clever line of robots the Bells could not afford.

When Sam, who can barely read, discovers an old newspaper clipping just before his eleventh birthday, it brings forth memories from his past, and, with the help of a new friend at school and the castle they are building for a school project, his questions are eventually answered.

When irrepressible fifth-grader Josh finds a five-legged frog in his backyard pond, it leads to him learning a lot about amphibians--and himself.

Louis, who loves baseball despite being the worst stickball player in White Plains, New York, sees his opportunity to be bat boy for the 1961 Yankees team as the perfect way to escape the problems of his father's remarriage and moving to the suburbs.

Mahtab, forced to flee her home in Herat with her family, journeys with them to Pakistan and on to Australia, wondering if she will ever have a home again, and whether her father will be able to join them.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Soon after moving to Noble's Green, Pennsylvania, twelve-year-old Daniel learns that his new friends have super powers that they will lose when they turn thirteen, unless he can use his brain power to protect them.

Thirteen-year-old Sunny, accompanied by a stray dog, takes advantage of a monetary windfall to travel from her Nebraska foster home to Enumclaw, Washington in order to find the twin sister from whom she was separated at age three.

After moving with his emotionally distant father to the Finger Lakes region of upstate New York, twelve-year-old Owen faces a lonely summer until he meets an abused girl who may be a space alien.

Ruthie thinks nothing exciting will ever happen to her until her sixth-grade class visits the Art Institute of Chicago, where she and her best friend Jack discover a magic key that shrinks them to the size of gerbils and allows them to explore the Thorne Rooms--the collection of sixty-eight miniature rooms from various time periods and places--and discover their secrets.

Twelve-year-old Jenna buys a hat for a homeless woman, only to discover the woman is actually a genie who will grant Jenna's every wish, but when Jenna realizes that all the things she is wishing for are being taken from someone else, she must decide if her own happiness is worth someone else's misery.

Eleven-year-old Miri Gill feels left out in her family, which has two sets of twins and her, until she travels back in time to 1935 and discovers Molly, her own lost twin, and brings her back to the present day.

Homer P. Figg escapes from his wretched foster home in Pine Swamp, Maine, and sets out to find his beloved older brother, Harold, who has been illegally sold into the Union Army.

When Flory the night fairy's wings are accidentally broken and she cannot fly, she has to learn to do everything differently.

Brilliant Egyptologist Dr. Julius Kane accidentally unleashes the Egyptian god Set, who banishes the doctor to oblivion and forces his two children to embark on a dangerous journey, bringing them closer to the truth about their family and its links to a secret order that has existed since the time of the pharaohs.

From his 1776 Pennsylvania homestead, thirteen-year-old Samuel, who is a highly-skilled woodsman, sets out toward New York City to rescue his parents from the band of British soldiers and Native Americans who kidnapped them after slaughtering most of their community. Includes historical notes.
