4. DISCUSSION / POSSIBLE FUTURE CONSIDERATION

4.1 Policy Updates - Craig Collins

4.1.1 1422 **New**, 3122 & 4122 **Revised**, *Nondiscrimination and Equal Employment Opportunity*

4.1.2 1522, **Delete**, *Nondiscrimination and Equal Employment Opportunity*

Motion by McCormick, second by Juby, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.1.3 1422.02 **New**, 3122.02 & 4122.02 **Revised**, *Nondiscrimination Based on Genetic Information of the Employee*

Motion by Juby, second by McCormick, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.1.4 8462, **Revised**, *Child Abuse and Neglect*

Discussion:

Are there clearly defined options for "mandatory reporter" training that might be provided? (Uncertain at this time. DCFS or "approved provider.") Will the State notify us or will we need to contact them? (We will wait to see and contact them if necessary.) Will training be provided to Board members, too? (Yes.) Is this an on-going responsibility? (Yes.) There was also some discussion of semantics including "all school personnel," maybe adding "including the school board" or all school personnel including those identified in the last paragraph of the policy. (Appropriate edits will be made before bringing this policy to the full Board.) The question is about whether Board members have to take the training. (It's unclear at this time but not stated in the law. Board members are supposed to report suspicions in an open or closed meeting to the Superintendent of Schools.) The full Board

will need to determine what training there would be. (Understand and will identify training options. Will also change the word principal to all school personnel for consistency.)

Motion by McCormick, second by Juby, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.1.5 9130, **Revised**, *Public Complaints and Grievances*

Motion by McCormick, second by Juby, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.2 Policy Updates – Patty O’Neil

4.2.1 2413, **New**, *Health Education*

Motion by McCormick, second by Juby, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.2.2 2414, **New**, *Sex and Family Life Education*

Motion by McCormick, second by Juby, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.

4.2.3 5517.03, **New**, *Teen Dating Violence*

Discussion:

The first paragraph outlines intent and any incidents would need to be occurring at school or on school property. When completed, the entire Board should see all of the Administrative Guidelines for these three policies. Isn't Policy 5517.03 covered in mandatory reporting? (It certainly is part of that but this needs to be a separate policy.) It was suggested that parents must sign-off on class syllabi for courses dealing with this type of content. (Parents do have an "opt out" for content in courses.) If this mandated by law, can they opt out? (We have to provide alternative materials or resources for the student that meet the requirements of the law.) All students should receive this kind of education. Is there a way to ensure that all students receive it even if the parents opt out? (The activities are comparable but we will check into this further.)

Motion by Juby, second by McCormick, and with unanimous consent, the policy was recommended to be moved to the full Board for a first reading.
