Professional Support Expenses:	<u>\$46,670.70</u>
Balance:	\$75,650.30

Survey of Professional Development

CTP Participants were asked to rate their Professional Experiences prior to CTP and then again at mid year. Survey results show a 45% positive increase in overall responses.

Survey questions centered around the five essential aspects of quality professional development:

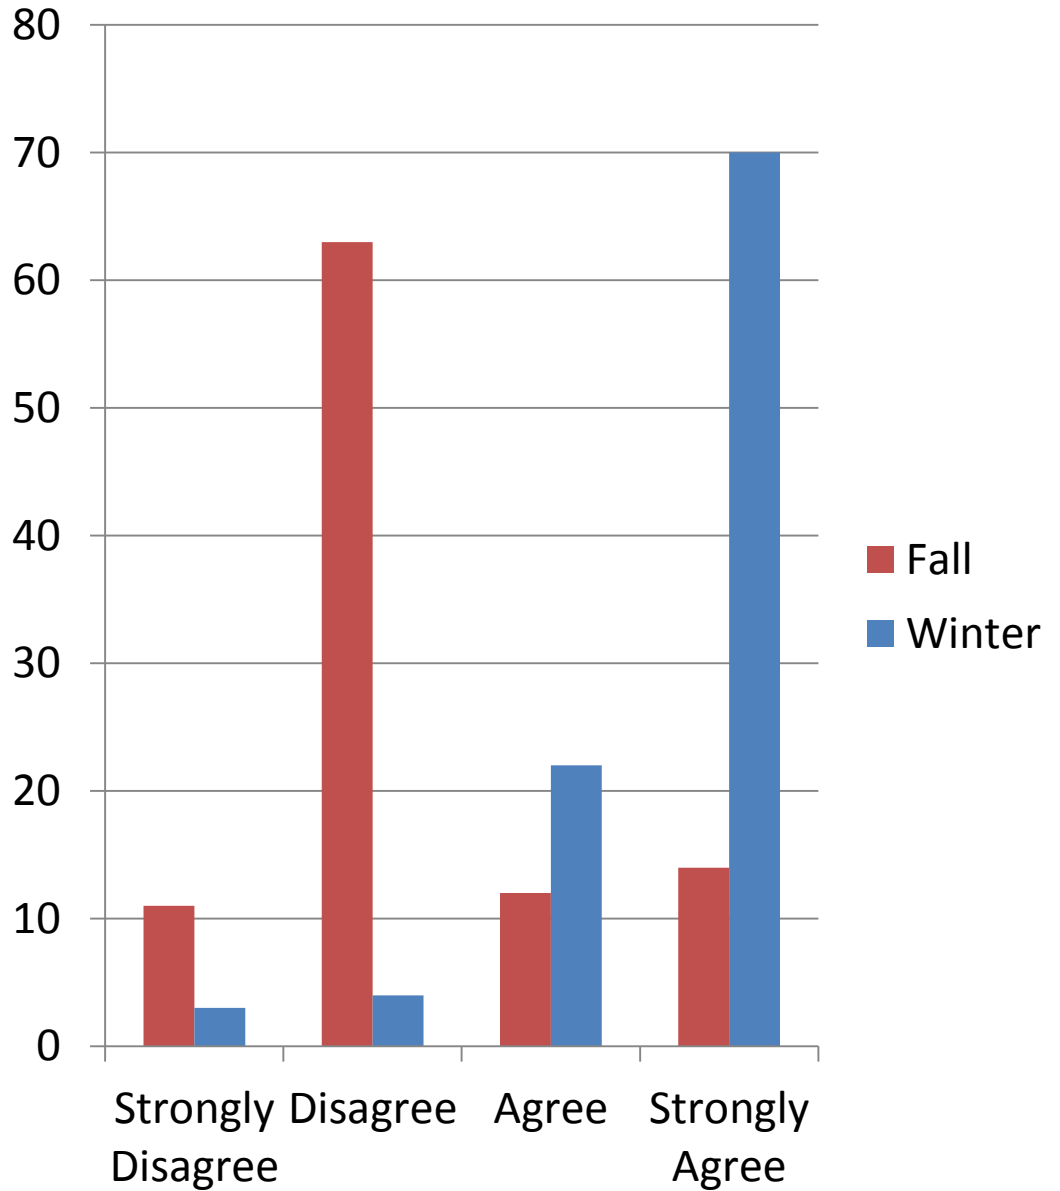

Supportive
Job Embedded
Instructional Focus
Collaborative
Ongoing

Surveying Staff on PD

Sample Survey Item:

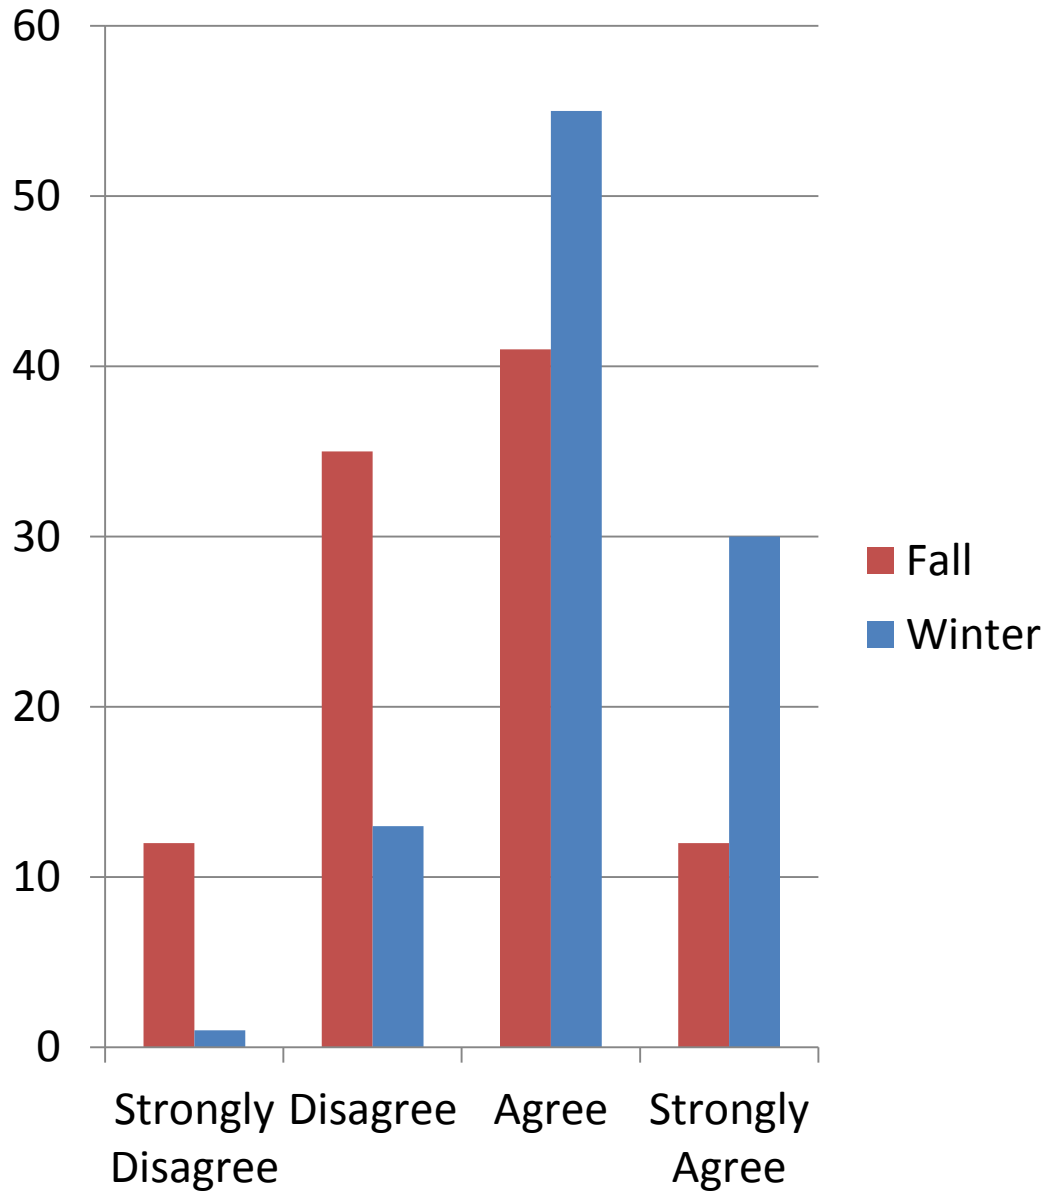

District provided PD opportunities foster collaboration.

Surveying Staff on PD

Sample Survey Item:

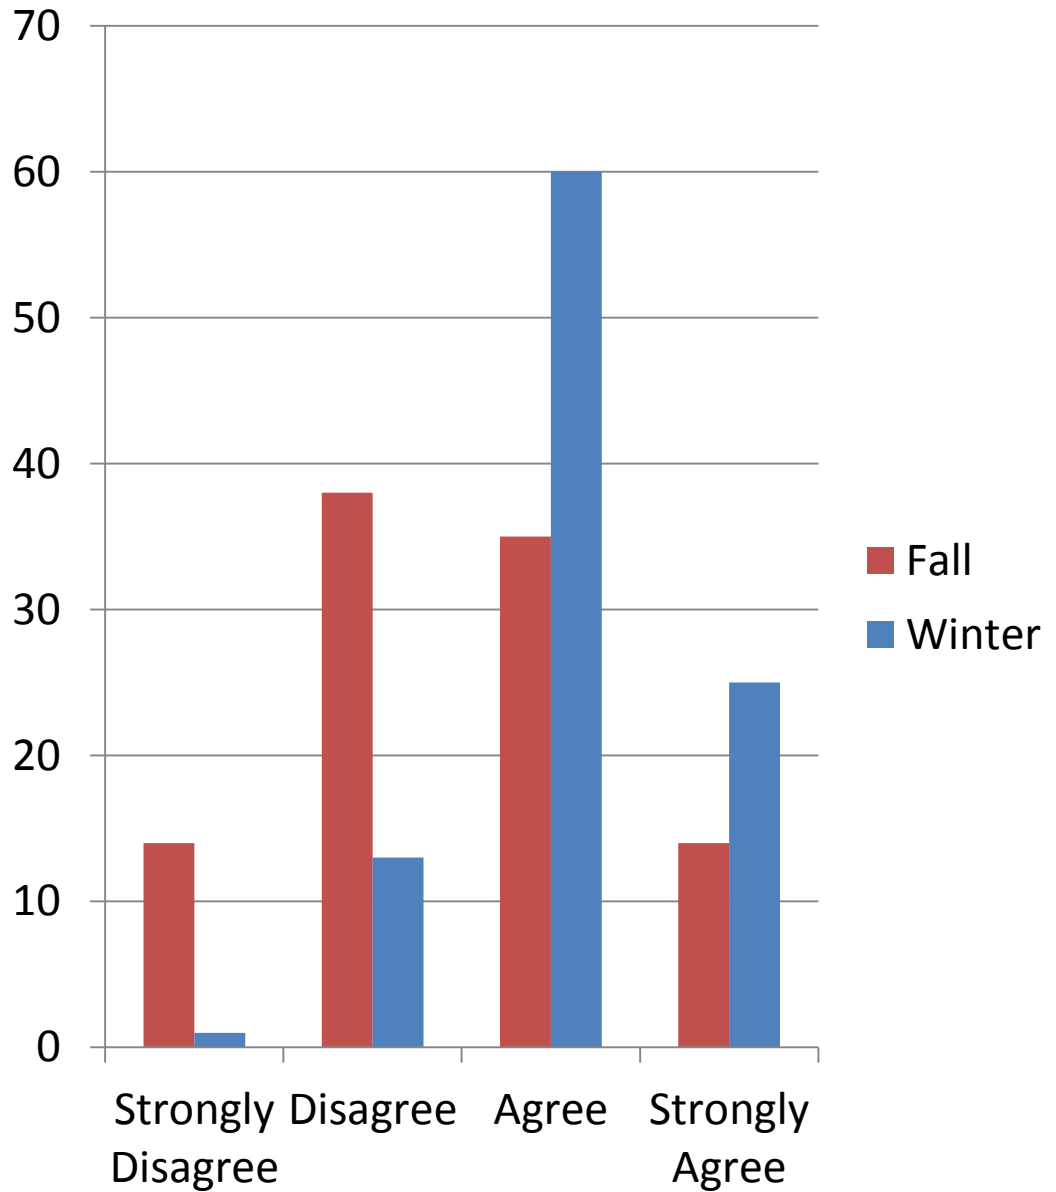

My teaching changed / improved as a result of District provided PD.

Surveying Staff on PD

Sample Survey Item:

Student learning has changed / improved as a result of District Provided PD.

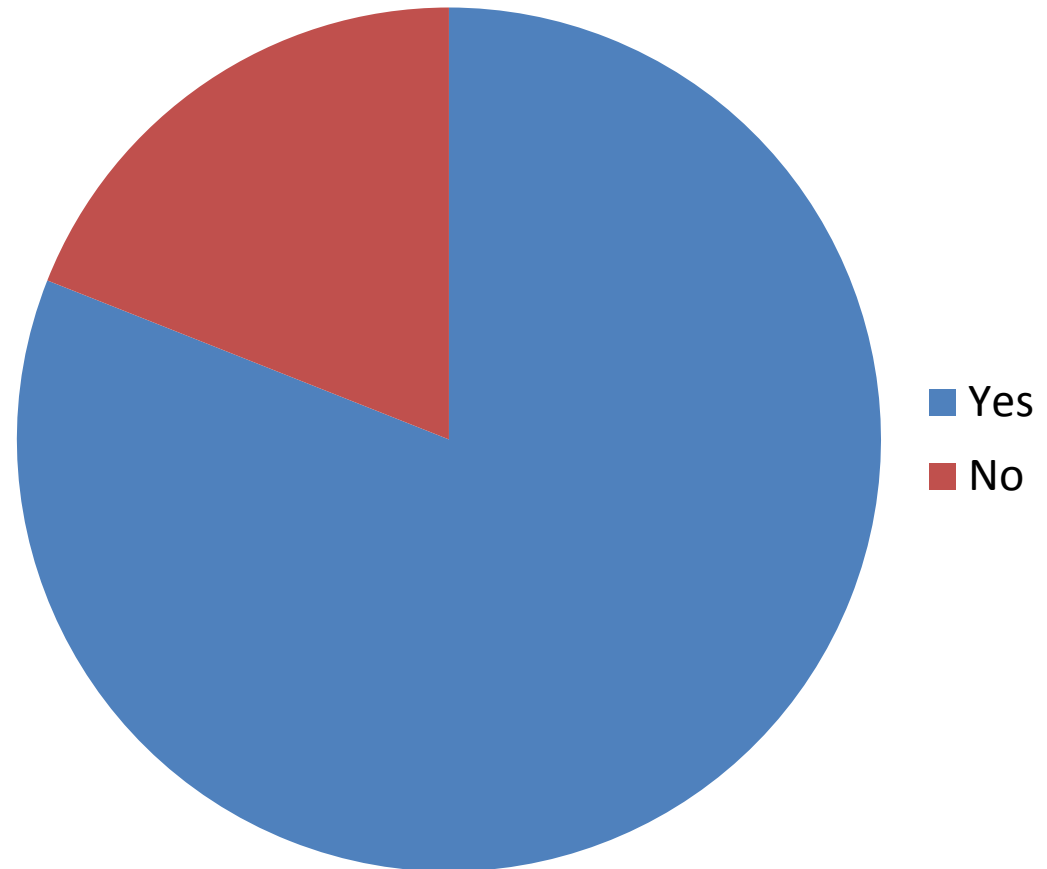

After surveying a 7th grade CTP team we found out...

81%

of the 104 students surveyed felt their teachers were more aware of what and how they were doing in class.

Do you think your teachers are better able to see and know what you are able to do because of your technology use?

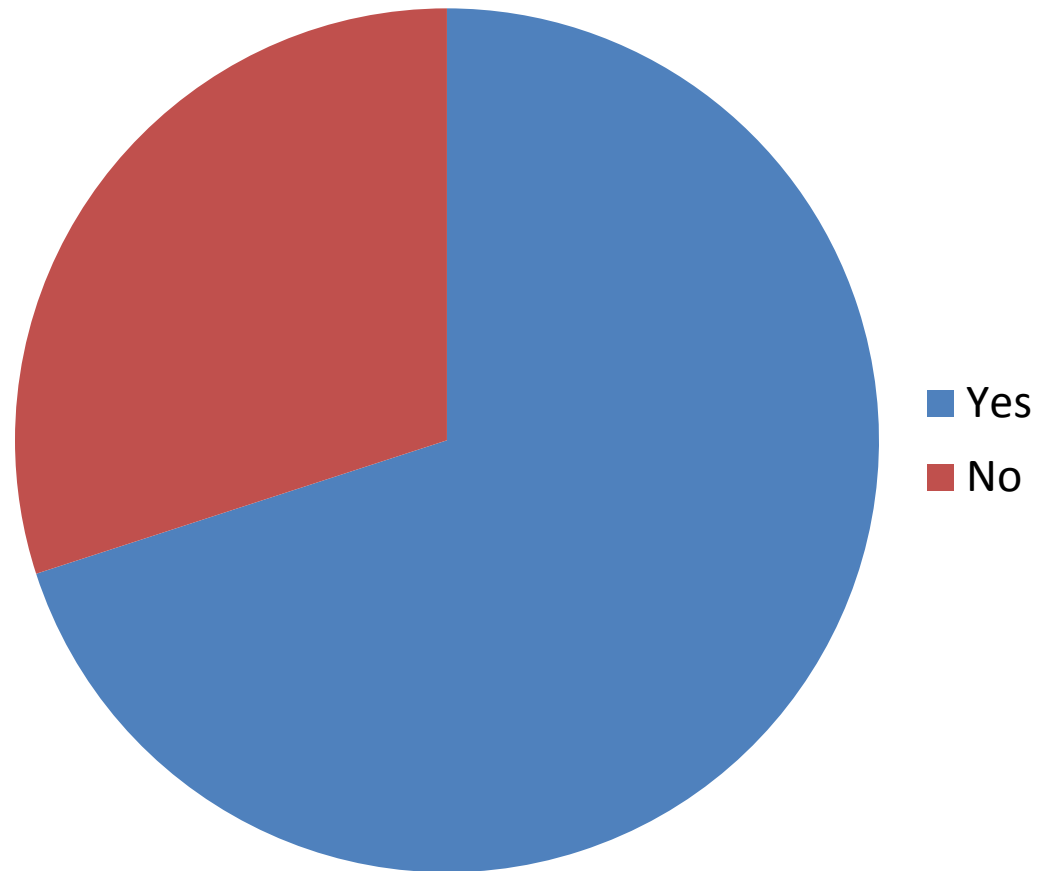

After surveying a 7th grade CTP team we found out...

70%

of the students responded that their participation in classroom activities increased when using their computer.

Are you more engaged during class because of your use with the convertible laptop?

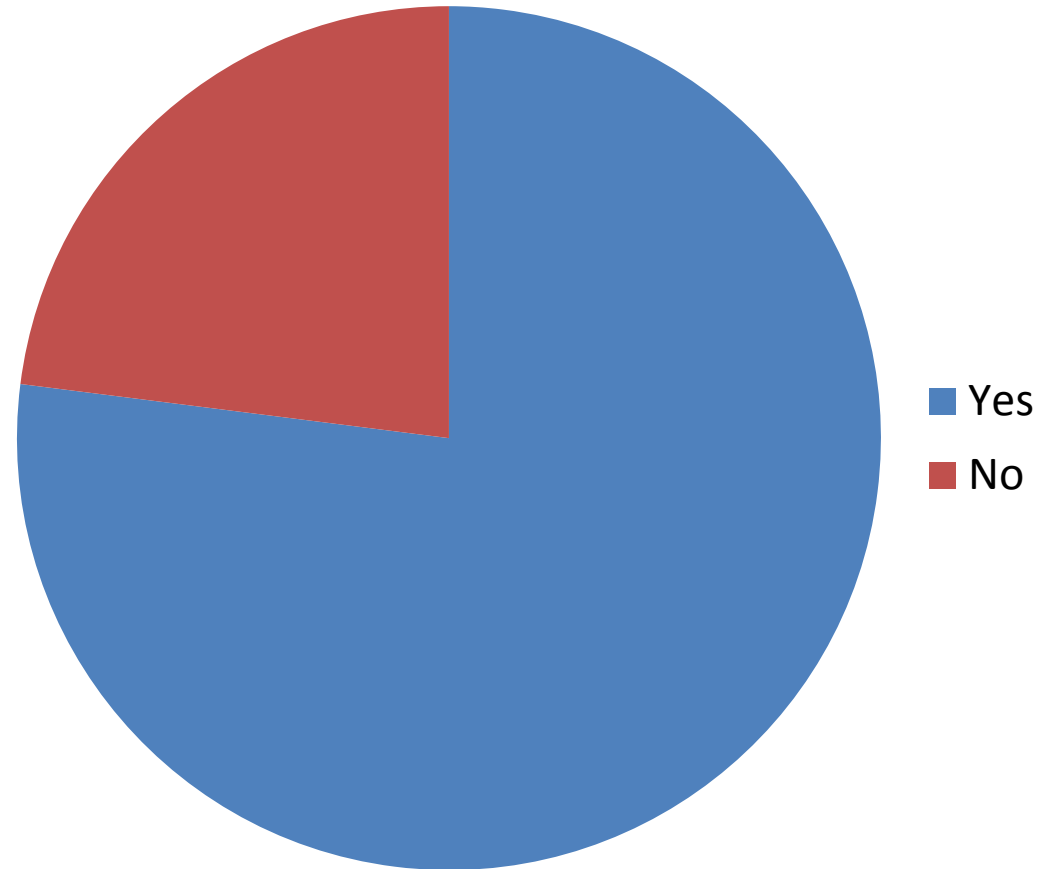

After surveying a 7th grade CTP team we found out...

77%

of the students felt that technology positively impacted their communication skills.

Are you better at using technology to communicate?

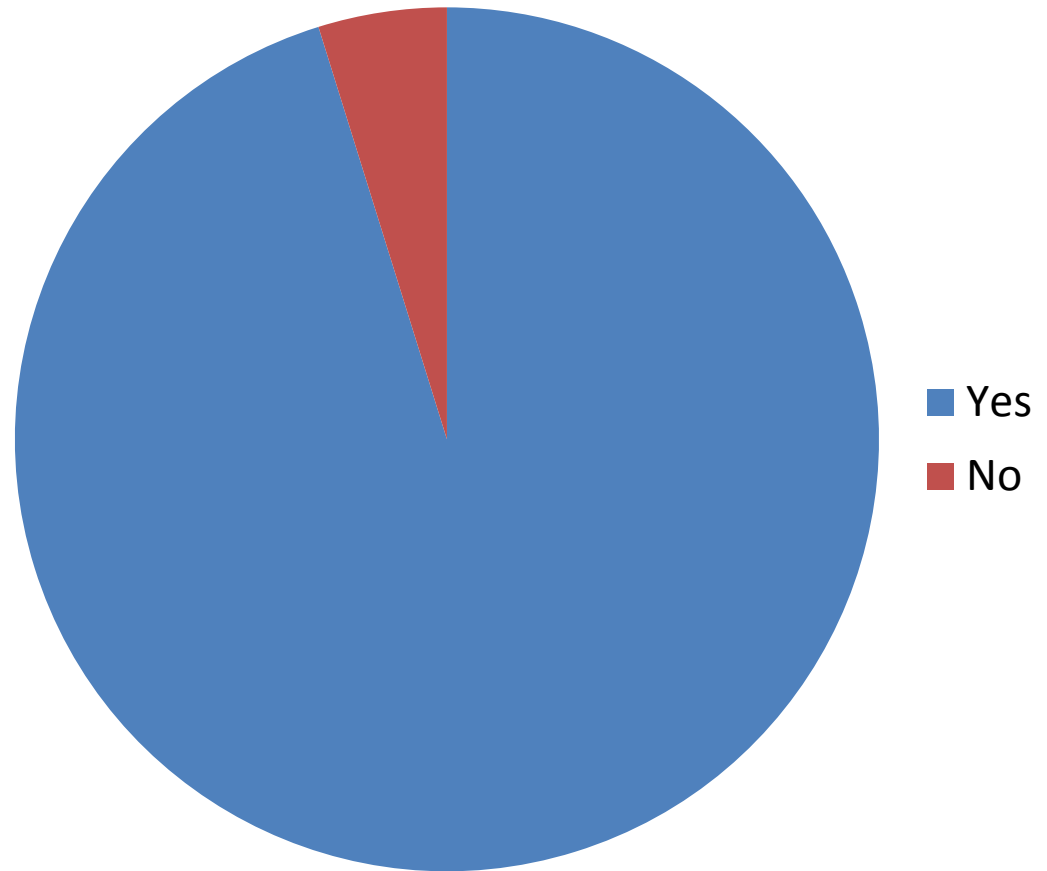

After surveying a 7th grade CTP team we found out...

95%

of the students benefited from having a computer assigned to them to use in all their classes.

Do you find it helpful to have your own computer to take from class to class?

- Release day for CTP work
- PD Committee refining CTP parameters

March

- Final release day for CTP Groups
- Continued Support for CTP 2014-15 included in Tech Plan

April

- CTP 2014-15 advertised
- Applications reviewed and new groups formed

May

- Comprehensive CTP report to BOE
- Summer PD Sessions Begin

June
