

2018-2019

TRANSPORTATION INFORMATION

FREE AND FEE BUS RIDERS

Students residing one and one-half miles or more from school, or who live in a designated hazard area are bussed FREE. Bus transportation schedules and routes for the upcoming school year (2018-2019) will be developed during the summer months by the District 304 Transportation Department. Route schedules will be available on Home Access prior to the start of school. One consistent pick-up and drop-off location, either at the daycare provider or the home residence will be honored, i.e. students may have a pick up at one location and a drop off at a different location (daycare or home) as long as pick-up and drop-off are consistent on a daily basis.

For families living within the one and one-half mile limit, the current pay-rider fee is \$350.00 per student in grades K-5. If parents pay the fee prior to July 1<sup>st</sup>, 2018, the District will offer a \$50.00 discount (fee will then be \$300.00 per student). However, paid ridership is dependent on the availability of seats on an existing bus. Paid riders will be picked up at the closest existing stop on a route.

\*\*Please keep in mind free bussing is determined by the student’s home address and is not determined by the location of the daycare provider. For example: if your home address is within one and one-half mile and your child is riding the school bus to Kensington School for daycare, you will need to pay for bus transportation.

TRANSPORTATION INFORMATION FOR HEARTLAND ELEMENTARY SCHOOL

In order to maintain accurate records regarding how your child is getting to and from school, we would like some information from you. Please fill out this form and return it with your registration information. READ ALL OF THE CHOICES CAREFULLY AND PRINT WHERE NECESSARY.
