

2019 Summer Science Programs

Students participate in a variety of experiments that are hands-on **molecular biology techniques** and learn about the expanding field of genetics. **Labs** will be with **Notre Dame faculty** and current Notre Dame Students who also serve as camp counselors

Residential Science camps

For current 7th & 8th grade
June 23 – 28 *or*
July 14-19
\$1360

*Now in our
5th year!*

High School Residential Camp

for current freshmen - juniors
July 21 – 26
\$1360

Day Camp

Current 7th & 8th grade
July 8 – 12
\$635

Genetics Workshop

For current freshmen -juniors
July 2
\$65

Junior Workshops

For current 5th & 6th graders
June 20-21 or July 1-2
\$65

The programs are designed for students with an interest in science. Our goal is to elevate their knowledge and excite them about genetics.
