

2019-20 GHS PTO Family Directory

Each school year the GHS PTO creates a Family Directory that is available to all families who are members of the GHS PTO. The Directory contains student/family names, address, telephone number, parent's e-mail address and parents' names. It also features *important school telephone* numbers, important dates, "*Things You Need to Know*," clubs, organizations, athletic coaches, and insightful information!

The GHS PTO membership information can be found on the PTO form included in the Registration packet. The cost of membership is \$35.00. By joining the PTO you will receive the Family Directory via email in the Fall of 2019, but you will also help support many school & PTO activities throughout the school year. Joining the PTO does not obligate you to volunteer. The PTO has 24 committees that work year round to support the students and staff at GHS. Committees include Registration, Textbook Distribution, Homecoming BBQ, Post Prom, Viking Vendor, Senior Breakfast, Turkey Trot, and Viking Fest and more. We appreciate each family's support in all of our endeavors for each student. We believe GHS PTO provides for a student's broader experience beyond the classroom.

All information listed in the directory is taken directly from the contact information your family has supplied to the Geneva District 304 office. Please verify that information on your student's Home Access page. If changes are needed, please update immediately. The information supplied as of August 31, 2019 is the information that will be included in the directory.

**Please return this form only if you want to be removed from the
2019-20 GHS PTO Family Directory. If no form is received, we will
assume we have permission to publish your student's/family information.**

Please remove my student/family information from the GHS Student Directory.

Student Name: _____ ID#: _____

Grade: Freshman Sophomore Junior Senior

Please print your name clearly.

Primary Parent/Guardian Name: _____

Signature: _____

Note: The use of the PTO Student Directory for commercial business is strictly prohibited. Thank you for your cooperation.
