

CHILDREN'S GALLERY EXHIBITION JUNE 15–AUGUST 17

Let's Play Railway!™

Little engineers can enjoy a pretend ride in this traveling exhibit's life-size engine, cattle wagon and caboose.

The hands-on activities in *Let's Play Railway!* promote early math and literacy. They encourage children to solve problems and interact with others as they communicate, share and take turns. This exhibit features buttons, sound effects, puzzles, play tables and much more!

Admission

\$3.00 / Adults

\$2.00 / Children ages 3–10

FREE / Museum Members*

This exhibition is sponsored locally by the Fabyan Foundation.
