

Geneva Academic Foundation “Honor Bricks” Fundraiser GIVE A BRICK

The Geneva Academic Foundation is proud to announce the fundraising campaign to purchase engraved “honor” bricks for the Viking Plaza, located around the Viking sculpture in front of Geneva High School’s Gymnasium entrance.

These bricks are used to create a beautiful walkway and patio area around the Viking sculpture.

Engraved bricks can be ordered to honor all Geneva District 304 students, teachers, graduating GHS Seniors, future students, alumni and any others in the community who families and individuals would like to recognize.

This is a long-term fundraising campaign to raise funds for the GAF to provide all of Geneva’s students new educational experiences and opportunities by funding grants for technology, services, programs, scholarships and equipment for teachers, schools and classrooms throughout the Geneva Community School District 304, grades K through 12.

Order bricks at: <http://gafhonorbricks.donationbricks.com>

Bricks are available in 4 x 8 inch and 8 x 8 inch sizes beginning at \$50.

All questions please contact:
gafhonorbricks@gmail.com

**** Bricks ordered by October 15th, 2019 will be installed this year. ****
