

GENEVA WOMEN'S CLUB VOCATIONAL SCHOLARSHIP

The Geneva Women's Club (GWC) is a non-profit philanthropic women's organization dedicated to improving the lives of families in the Fox Valley area. During May 2019, the GWC will award an academic '**vocational**' scholarship valued up to **\$1,000**. The scholarship will be awarded to a Geneva High School student from the 2019 graduating class who has enrolled and will attend an accredited non-profit community college or accredited vocational / trade school. The scholarship recipient will be selected by a GWC committee of members who will review all complete applications received.

Students can find the scholarship information and application on Naviance, and those who apply for the scholarship must submit the application to the GWC via email at genevahsscholarships@gmail.com. The application must be received by **April 5th, 2019**

Scholarship Requirements:

- Enrollment in accredited community college or vocational / trade school
- Most current High School transcript
- Minimum GPA 2.0
- FAFSA application or acceptable financial statement
- Recommendation letter from teacher, counselor, or employer
- Response to the following 3 application questions

1. Who or what inspired you to follow this career, and how?
2. What type of job do you want after graduating through this career track?
3. How will you contribute to your community? This can include family obligations.

The Applicant may also add any other information that they feel may be important for review by the scholarship selection committee. The scholarship recipient will be notified by email, and the award will be presented at the May 2019 Geneva High School Senior Awards Night
