After School Enrichment

After School Enrichment at Harrison is not too far off and we are looking for volunteers to lead classes. ASE Session 1 will be on Tuesdays, January 19 & 26 and Session 2 will be on Tuesdays, February 2 & 9. Registration for ASE will begin on Monday, December 14. Please consider sharing your time and talents with Harrison students! Volunteer forms are available on the Harrison PTO website (www.harrisonpto.org) and also attached to this Highlighter.

No Parking Areas

When using the Dodson parking lot (during the day or for an evening function), please do not park in the fire lane (marked in yellow) or block the driveway leading to the building. If an emergency situation were to happen emergency equipment would not have safe access to the building.

Also, the Geneva Police Department has asked that we remind our Harrison parents that there is no parking on Park Avenue where signs are posted. When dropping off/picking up your child (ren), please use either the Dodson or Harrison Lot. Thank you for your help with these matters.

Family Reading Night in Illinois

Thursday November 19th is Family Reading Night in Illinois. This is when thousands of families in Illinois set aside time to read together. Hopefully it will encourage everyone to make reading together a family tradition every night and "Read Across Illinois".

Your child's teacher will be giving them a special Family Reading Night bookmark on that Thursday. Please use this bookmark and remember to read the evening of Thursday November 19th.
