A Peek At 5th Grade

We are reading some exciting books in 5th grade! As some students are finishing up *The Lion, the Witch, and the Wardrobe*, *Yang the Youngest*, and *Hatchet* others have started a book from the "I Survived" series. We are reading *I Survived Hurricane Katrina* and *I Survived the Battle of Gettysburg*.

Social Studies

We just finished Module 2 in math where we learned how to use standard algorithm and how to divide using division boxes. In Module 3, we will start by looking at fractions. We can't wait!

In Writing, we are finishing our personal narratives. 5th graders have been very focused on their small moments.

We finished Web of Life in Mystery Science. During this unit, we learned about food webs and food chains. We also had the chance to grow our own mold and observe worms – it was awesome!

In Social Studies, we ended our unit on directions by finding relative and absolute locations on a map. Last week we took our test!
