Borrowed Clothing

If your child has borrowed clothing from the nurse's office, please be sure to return the borrowed items after they are washed. Thank you!

Student Lunch Accounts

Please check for negative lunch balance notes that are sent home weekly. If a student has a lunch balance of -\$10.00 or more they will not be able to purchase a lunch until money has been deposited into the student's account making a positive balance. Money can be deposited through PushCoin or a check/cash can be sent in to the office.

Square1Art Fundraiser

The Square1Art PTO Fundraiser offers a way to help our school by using your student's artwork to create greeting cards and gift items. You get awesome items with your child's artwork and the school benefits as well! Each child from our school will create a design this month in art class. Each design will showcase their individual creativity; it will include the year and their signature. Look for stickers with their designs and more information coming home in October!

Animals on Campus

While we certainly understand the value a pet brings to a family, they are not allowed on school property when students are present due to allergies and fears. Student patrols will not open a car door for drop off if a pet is in your vehicle. Thank you for your understanding.
