

A TRADITION OF EXCELLENCE

MESSAGE FROM THE PRESIDENT

All in All Homecoming was a success! The weather wasn't on our side this year and unfortunately the Homecoming parade had to be cancelled. Due to weather the Varsity football game was played on Friday and Saturday. Thank you to everyone who came out both days to support our hard working athletes!

The Viking Soccer Game began the Thursday evening events and the Vikings played well. Mr. Rogers and staff have done it again. The Pep Rally, JV and Varsity Cheer and Dance teams were awesome. Following the game, the Homecoming BBQ was served and sponsored by GHS PTO. Jennifer Main and I chaired the free BBQ. Thanks to our incredible volunteers we were able to serve over 1100 Sloppy Joes. Our wonderful parent volunteers donated regular, vegan and gluten free Sloppy Joes, what seemed like a million bags of washed grapes and amazing desserts. Because all of the cooks and bakers of GHS, this is a fun night for the community and we hope that you attend this event every year when possible. The evening ended with the traditional bonfire. Thank you to the Fire Department for providing their services.

PRESIDENT'S LETTER

(Continued from page 1)

The Homecoming Dance was a success because of the faculty and volunteers. Thank you, Homecoming Dance Parent Volunteers, you are all so helpful and make the night very nice for all of the students. We welcome new faces every year and we hope you make new friends as you help at the many volunteering opportunities throughout the year. Even just an hour of volunteering can help, so please look at the volunteer opportunities on the PTO website.

The PTO committees continue to be busy and helpful for the GHS Students and school in general. A special thank you to all who make Homecoming incredibly fun, from making and serving the BBQ sandwiches, to selling Homecoming tickets, and helping during the dance. We truly appreciate your help and your smiles for all of these GHS activities.

Recently, the Joint PTO Committee has had two meetings. First, we welcomed new teachers and administrators to our 304 School District. The luncheon is a friendly event of sharing school information and a hearty welcome to the new staff into our school community. Secondly, the committee met to speak about current events and this is the manner in which the schools remain on the same page throughout the year.

Thank you to the many students who are members of student clubs. The Club and Activity Fair was a great event showcasing all the clubs GHS has to offer. The clubs stretch across a large canvas of activities from music, languages, student government, arts, robotics, Leo, Key, sports, equestrian, medical careers, chess, Ultimate Frisbee, speech, GTV, DECA, NHS, TRI M, drama, UNICEF, environmental, engineering, FEA, culinary, student council, sign language, literature magazine, alpine club, and so much more! New clubs are always being developed too, so please keep mentioning to your students the different ways to remain involved in GHS. These diverse clubs help students to come together and collaborate on new ideas while meeting new friends. Every club has room to grow, so do not hesitate to join during the year.

Thank you to our GHS families and we hope you enjoyed the many activities of Homecoming 2019. Please remember, we are an open committee and encourage everyone to join our

volunteer efforts. Without a doubt, all the parent groups, such as, Music Boosters, Theatre Boosters, and Sports Boosters are also always encouraging parents to join in their volunteer activities.

We for looking forward to a good year ahead. The Viking Vendor continues to be our daily contact with the students and many events are ahead. We thank all our volunteers who help run the store, Christine Stellick, Carol Rennolds, Amy Ahern and Cindy Alworth. This committee is well run and connects with many in the GHS community.

We hope you have a wonderful October and enjoy the changing season. This is an exciting month to be a Viking. If you have any questions please don't hesitate to contact anyone on our Board.

WE ARE Your PTO!

Sincerely,

The PTO Board:

Required PSAT/NMSQT Exam for all GHS Juniors

Test Date: Wednesday, October 16, 2019

On Wednesday, October 16, 2019, all GHS juniors will take the PSAT/NMSQT exam during the school day at GHS.

Below is important information for junior students and their parents/guardians.

Information for juniors and their parents/guardians about the PSAT:

- The PSAT/NMSQT is a pre-test to the SAT college entrance exam that all Illinois juniors will take in the spring at GHS during the school day. Colleges and universities have indicated that they will accept the school-day SAT scores for college admission.
- The PSAT/NMSQT is a multiple-choice assessment of verbal, mathematics and writing skills. Students will take subtests in reading, language, and math. The results of these assessments will provide students and families with personalized feedback about a student's readiness to take the SAT along with suggestions for improvement.
- The PSAT/NMSQT also serves as the National Merit Scholarship Qualifying Test (NMSQT). Top-performing juniors nationally (approximately 1%) may be eligible for scholarships.
- The official PSAT information manuals (which include practice tests) were distributed to juniors in their English classes the week of September 3.
- Additional information regarding the PSAT/NMSQT can be found at the following website: <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/taking-the-tests>

(Continued on page 6)

(Continued from page 5)

Additional details for juniors and their parents/guardians regarding October 16th:

- Late arrivals will not be honored. All juniors need to be ready to begin testing at 7:40am. Prior to testing, student room assignments will be made available to students.
- Juniors will not attend their early bird classes.
- Following testing, students will be provided with a complimentary lunch from Sodexo food service before returning to their last two classes of the day (periods 9 and 10) before dismissal at the standard 2:45pm time.
- Please ensure your child's attendance by rescheduling or not scheduling appointments for this important day.
- For freshmen, sophomores, and seniors this is a normal school day.
- The results of these exams will provide students and parents with important information that will help plan for the future. Updates to this information will be communicated to parents via 304Connects.

If you have any questions regarding the PSAT/NMSQT, please contact your school counselor.

SADD Club to Facilitate Red Ribbon Week Celebration

October 21 – 25

Why do we have red ribbon week?

Kiki Camarena was an undercover agent for the United States Drug

Enforcement Administration. In 1985, he was abducted, tortured, and murdered by the drug cartel.

After his death, his family began to wear red ribbons to spread awareness and remind people of the consequences of drug abuse.

We continue to wear red ribbons to honor the work of Agent Camarena and the legacy he left behind.

Red Ribbon Spirit Week

- Monday 10/21—Wear Red Day
- Tuesday 10/22—Clubs / Extracurricular Activity Apparel Day

Freshman Team Sports

Freshmen Team Sports classes started the year with a team building unit. The students participated in a variety of games and activities which allowed them to get to know each other. The PE Department feels this is an important unit to begin the year, because we have students joining us from different middle schools. The students have fun together, while getting to know each other better and making new friends.

G.I.V.E

Geneva Is Volunteering Everywhere

The 2019-2020 school year is in full swing and students have been racking up hours since last May. Yes, summer volunteer hours count for this school year! Freshman, you can count hours from the day after 8th Grade Promotion Ceremonies!

How does my student get started?

- Students should find an organization (through school, church or community, etc.) that works with their interests and schedule. Some students help out at a few different events throughout the year e.g. an elementary school fun fair or a full week volunteering at a church retreat. Other students have an ongoing weekly commitment e.g. at Delnor Community Hospital, the Library, their church, the Geneva History Center or the Boy Scouts. Volunteer opportunities are also noted in the school's daily announcements, through GHS Connects, and (new this year) Twitter @GIVE304.
- Visit GHS website – click on Parents tab...'registration forms'...'PTO & Booster Information'. Here you will find:
 - GIVE Information - link that gives full information about the GIVE program including guidelines, examples of acceptable hours, documenting and recording hours. Please read this **carefully** before recording hours.
 - GIVE Record Form – download this form (or pick one up from the GHS main office) and start recording per the instructions.
- *Finally, make a copy of the form(s) for your own records & turn them in at the GHS Main Office anytime throughout the year. Final turn in date is April 24, 2020.*

New this year!

- In order to encourage equitable recording of GIVE hours, the committee has noted in the GIVE Information document some clear examples of acceptable (and unacceptable) GIVE hours. If there are questions about suitability of a volunteer opportunity, please check with a club sponsor or GIVE chairperson *prior* to doing the service
- Twitter account @GIVE304. Follow the GIVE committee to get up-to-date information about the program and volunteer opportunities.

G.I.V.E. Awards:

WHITE LEVEL – Students providing 20-49 service hours per year will receive a certificate at the end of the school year.

BLUE LEVEL – Students providing 50+ service hours per year will receive a certificate, and a sweet treat at the end of the school year.

GOLD LEVEL – Graduating students with a total of 200 or more service hours while attending GHS will receive a certificate, and a tassel to be worn at graduation.

If you have any questions please feel free to contact
