## I. RECOGNITION

- A. This Working Agreement was entered into as of March 14, 2016, between the Board of Education of School District 304, herein referred to as the “Board” and the Custodial, Grounds, Maintenance and Security personnel, hereinafter called “Staff”.
- B. The primary responsibility of the Board is to educate students. While Staff is not directly responsible for the teaching of students, maintaining a clean, healthy, and functional school environment contributes to an effective education program. To that end, Staff plays an important and vital role in supporting the educational program of the District.
- C. The Board is legally responsible for the determination of all policies and actions relating to the operation of the schools. The rules in this Working Agreement amplify Board policies that are contained in the Board of Education Policy Manual ([www.geneva304.org](http://www.geneva304.org)).
- D. The Superintendent of Schools delegates to the Assistant Superintendent-Business Services authority for the supervision of Staff covered by this Working Agreement. The Assistant Superintendent-Business Services, in turn, delegates to the Director of Facility Operations authority for the supervision of Staff covered by this Working Agreement.
- E. The Director of Facility Operations is delegated authority for maintaining the efficiency of work and enhancing the skills and capacities of employees by promoting good procedures and maintaining a program of in-service training.
- F. A meaningful relationship between the Staff and administrators/supervisors is an important element in the successful operation of a school district. Open dialogue regarding school operations is encouraged throughout the school year. It is the responsibility of each employee to communicate ideas for school improvement or problems/concerns to his/her immediate supervisor. In the event that a problem or concern remains unresolved after consultation with the immediate supervisor, the employee should bring the matter to the attention of the Director of Facility Operations. If the problem/concern is still not resolved at the Director of Facility Operations level, the chain of command outlined in the Appeal of Disciplinary Action section of this Working Agreement should be followed.
- G. The parties understand and agree that the management of the schools in District 304, control of the premises, and the direction of the working force are vested exclusively in the Board and include, but are not limited to, the following:
  - 1. the right to select, hire, transfer, promote, assign, and supervise employees;
  - 2. to suspend, discharge, and discipline employees for just cause;

3. to determine and change starting times, breaks & lunch times, quitting times, shifts, and the number of hours to be worked by employees;
4. to determine staffing patterns, including, but not limited to, the assignment of employees as to numbers employed, duties to be performed, qualifications required, and areas worked;
5. to make reasonable rules and regulations with respect to employees covered by this Working Agreement;
6. to determine policies and procedures with respect to the establishment, management, and conduct of its schools;
7. to determine or change the methods and means by which its operations are to be carried on;
8. to carry out all ordinary functions of management whether or not exercised by the Board prior to the execution of this Working Agreement.

## **II. SENIORITY, EMPLOYEE LAYOFFS, AND PROBATIONARY PERIOD**

### **A. District Seniority**

1. Seniority shall be defined as the length of an employee's continuous service in the District in a specific job category - custodian/grounds, maintenance, and security. Any employee with the job description "on-call custodian" or "summer grounds" will not have a seniority date. Accumulation of seniority shall begin on the employee's first day on the job (hire date). In the event that two or more employees have the same hire date, position on the seniority list shall be determined by the toss of coin.
2. The District will prepare and maintain a seniority list each year. The seniority list will be sent via e-mail to all O&M staff prior to March 1 of each calendar year. The list will include the employee's name, job category, building assignment, and hire date. An employee may request a copy of the seniority list that was issued for that calendar year at any time.
3. An employee will lose seniority in the event of resignation, dismissal for cause, retirement, or being on layoff for more than one year. Absence due to a qualifying medical condition (Family Medical Leave) or eligibility for Workers' Compensation shall not terminate seniority.

## B. Employee Lay Offs

In the event that the Board determines to reduce the number of custodial, grounds, maintenance, and/or security staff positions in the District due to a lack of funds or a lack of work, the Administration will use the following layoff/recall procedures:

1. Part-time employees (including seasonal and on-calls) will be dismissed before any full-time employees.
2. Full-time employees will be laid off in the inverse order of their seniority within their respective job category: custodian/grounds, maintenance, or security.
3. An employee who is laid off will retain his/her right to recall for one calendar year from the date he/she was released.
4. If a vacancy occurs within the job category within one calendar year, the laid off employee with the highest seniority will be offered the position. If the position is declined, the District will not be obligated to offer employment if another position within that job category becomes available at a later time.

## C. Probationary Period

1. New employees will serve a probationary period of one calendar year (365 days) beginning on the employee's first day on the job (hire date). Work demands vary depending on the time of the school year. The purpose of a one year probationary period is to provide the District with the opportunity to assess job performance throughout the entire school year.
2. During the probationary period, an employee may be subject to immediate job dismissal due to unsatisfactory work performance.

## III. WORK WEEK/DAY

- A. The work week is designated as Sunday - Saturday.
- B. All employees will use the time card system designated by the District.
- C. Work assignments for an eight (8) hour shift will include an unpaid lunch break of one-half (1/2) hour and two (2) ten-minute breaks in a period of eight and one-half (8-1/2) consecutive hours. The first break will be taken two (2) hours after the start of the shift. The second 10-minute break will be taken approximately two hours after the lunch break concludes. Break times depend upon the established start time of the employee's shift. Lunch break times will be determined by the Head Custodian in each building, after discussion with building staff or the employees. Lunch break and break times will be determined by the Director of Operations or designee, after discussion with employees in that job category. A break/lunch schedule will be posted by each time clock.

D. Work hours will be posted next to the time clocks; any deviation from the scheduled work day must be communicated by the Director of Facility Operations or designee. Any student non-attendance days (including student attendance half-days), staff is to start at their regular shift time unless otherwise instructed.

E Each spring, the Director of Facility Operations will designate when summer work hours will begin and end.

Twelve-month employees have the option of working nine (9) hour days Monday through Thursday and four (4) hours on Friday or they may work five (5) eight (8) hour days. Shift hours for each option are:

Friday	6:00 a.m. - 10:00 a.m.
Or	
Monday – Fridays	6:00 a.m. - 2:30 p.m.

For safety reasons, there must be a minimum of two (2) Operations staff working in each building during each shift. In the event one employee of a two-person shift is unable to come to work, the second employee must be willing to travel to another building to complete the shift.

1. There will not be a 2<sup>nd</sup> shift at the elementary level during summer hours.
