# Safety

- **Sodexo** hires an outside company Eco-Sure to do an intense yearly audit. They make sure we have all are Safety, Food, OSHA Regulations and HACCP logs completed and up to date. This past October two schools had the audit done with scores of 97.5 to 99%.
- **Sanitation Inspections** are done by the Kane County Health Department at every school kitchen. This school year our kitchens scored 100% at 7 schools and 2 schools scored 99% !
