1. Policy 4:170, Safety - **Updated**

Tim Baker shared the language added to this policy is in line with “Stop the Bleed”, in which we have kits in each classroom and policies to govern the use and training of district-wide procedures. There is a new law that will be coming into effect soon, so we are ahead of the game to make sure that we are compliant with the law.

Comments, questions, concerns: Have we started training staff on this? (All the nurses are trained, and we plan to increase that goal by training more staff.)
