

**Geneva Middle School**  
**Library Media Center**  
**Audio Book User Agreement**

Your child may wish to check out an audio book (Playaway or CD) from the middle school library. Playaways are audio books about the size of an MP3 player. They are very popular with our students.

Because of the high replacement fees on these devices, parental approval is required. Replacement fees vary from \$35.00 to \$105.00 depending on the title. Should a student lose or break an audio book they will be responsible for the replacement costs of the audio book.

If you would like to allow your child to check out audio books from the library media center, please complete this form and have your child return it to the library media teacher. This signed consent form will be valid for the length of your student's enrollment at GMSS.

If you have any further questions, please feel free to contact me at [mfedor@geneva304.org](mailto:mfedor@geneva304.org).

Kindly,

Mary Fedor
