

Dear Students,

Do you have a collection that you would like to share with the rest of the school?  
If so, this may be for you!

In the glass case near the library, there is space to show off your collection. Please have your parents fill out the permission slip below.

- All collections will only be handled by the student and the Library Staff.
- They will be in a locked glass case.
- Please send the collection in on the Friday before your assigned week and they will come home on the next Friday.

Any questions? Please email or call!
