

2023-2024 DRAMA BOOSTERS

The Drama Boosters program at GMSS supports a variety of drama activities held throughout the year, including the 6th Grade Play, a 7th & 8th Grade Spring Musical and an all-grade Variety Show. The coordination and direction of these activities takes place thanks to our wonderful teachers and GMSS staff!

Financial assistance provided by Drama Boosters has allowed for program enhancements in the areas of theater and fine arts that otherwise would not be available for the students of GMSS. Drama Boosters has provided items such as microphones, stage staircases, and a sound system for the cafeteria.

We ask that each GMSS family considers a \$10 donation to the Drama Boosters. We appreciate any and all contributions; those donations can be made when school fees are paid.

Drama Boosters are always looking for volunteers as well. Be on the lookout for volunteer forms when performance information and permission slips come home!

If you have any questions, please contact Ashlee Tyberg at AshleeTyberg@gmail.com.

Thank you for your support of the GMSS Drama Boosters!
