

DRAMA BOOSTERS

2021-2022 School Year

The Drama Boosters program at GMSS has been around for many years. There are a variety of drama activities held throughout the year in which the students can participate. There is a 6th Grade Play, a 7th/8th Grade Spring Musical and an all-grade Variety Show. The coordination and direction of these activities takes place thanks to our wonderful teachers and GMSS staff.

Financial assistance provided by Drama Boosters has allowed for program enhancements in the areas of theater and fine arts that otherwise would not be available for the students of GMSS. In the past, Drama Boosters has provided items such as microphones, stage staircases, and a sound system for the cafeteria.

Please consider making a financial contribution for the 2021-2022 school year. A suggested amount of \$10.00 per family would be greatly appreciated. However, any monetary donation is always welcome. Please make a donation when you pay your school fees.

Parent volunteers are always needed. Volunteer forms will be sent out with the permission slips for each individual performance.

If you have any questions, please contact Elizabeth Nguyen at GMSSouthPTO1@gmail.com. Thank you for your support of the GMSS Drama Booster program.
