

Geneva High School Jazz Band Fundraiser!

THE GHS JAZZ BAND NEEDS YOUR HELP! We are humbly asking for donations to purchase some items for the band that will greatly enhance the quality of our performances as well as the positive, educational experience of the students in the ensemble. Your generosity not only supports these young artists but also fosters a culture of excellence in the arts within our community. Any amount, big or small, makes a difference and is greatly appreciated. Together, we can ensure that the Geneva High School Jazz Band continues to thrive and inspire!

The students are doing an amazing job; check out some of the great performances and events we've participated in this year! We're going to keep the momentum going through the end of this year and into the 2025-2026 school year, but we need your help! Please see the items we're looking to purchase as well as a link to our donation campaign on the following page.
