

## Enrichment Opportunities for Middle School Students at GHS Summer School 2024

Geneva High School offers middle school students the opportunity to enrich their learning through non-credit summer experiences. Registration opens on April 1<sup>st</sup>, 2024! **Additional information and registration procedures are available on the GHS website: [Summer School \(geneva304.org\)](http://geneva304.org)**

There are two programs open to middle school students:

### **Algebra Bridge**

**Audience:** Students entering grades 9-12 who will be taking Algebra I or Algebra IA in the fall  
**Dates:** July 8-25 (Mon-Thurs) **Tuition:** \$130  
**Times:** 8:00-11:00 AM

**Description:** This course is designed for students who may need a refresher or additional practice in order for them to be the most successful in their Algebra I or Algebra IA course. The focus of the program will be reinforcement of concepts including integers/fractions, operations, solving one and two step equations, proportions, percents, as well as some geometry concepts. This program will require limited work outside of the official class times.

### **Typing/Computer Keyboarding**

**Audience:** Students entering grades 6-12 who wish to improve their typing/keyboarding skills  
**Dates:** June 10-June 27 (Mon-Thurs) (does not meet 6/19) **Tuition:** \$100  
**Times:** 10:00-12:00

**Description:** With the use of computers in homes, schools, and workplaces, it is very important that students have the ability to type effectively. During this self-paced summer course, students will enhance their typing/keyboarding skills by following a set curriculum. The focus of this 3-week course will be to develop efficient and effective typing/keyboarding skills as they work on their typing speed and accuracy using the touch-typing technique. All abilities from beginner to expert are welcome! Please note that this class does not meet on Wednesday, June 19<sup>th</sup> in observance of the Juneteenth state holiday.
