

2021 - 2022

GMS North Supply List

Geneva Middle School North has changed our school supply lists. We are hoping to save families money, develop better organization skills for students, and bundle some items so families do not have to scramble to find specific supplies.

Purpose of Changes:

- We would like to reduce family costs by reusing student school supplies that are not used on a daily basis. At the end of each year, we will pack up each student's usable supplies for the following year in a labeled bag. These supplies will be sent home with your child on the last day of school. When the new year begins, a child could bring the bag of supplies right back to school. If families choose, you may purchase these items new each year, but we want to make it easier for families to save money. By making these changes, families can save over \$200 per student due to purchasing less supplies and bundling items to make purchasing more efficient at a reduced price.

Tips and Tricks

- 6th Grade: Purchase a dial combination lock so your child can practice using locks.
- Backpacks with wheels and metal shelves do not fit in the lockers (approximate dimensions of lockers - 11 ¾" wide x 10 ½" deep)
- Sometimes throughout the year students need a poster board for a class. It is easier to purchase a few poster boards and keep at home for any of your children rather than running out on a Tuesday night at 9:30 pm!
- If financially you are struggling, please fill out the FRL form on the Geneva #304 website. If you qualify, you will not be required to pay registration fees, the annual GMSN bundle, and weekday lunches.

Annual GMSN Bundle (\$30 Required through Geneva #304's PushCoin Web Store)

- Assignment Notebook
- 3 Novels (novels will be added to Pushcoin in September)
- Stylus

Where to Purchase Specialty Items

- PE Uniforms:
www.companycasuals.com/gmsngymuniform
While the deadline has passed, there will be uniforms to purchase during locker sign ups.
