

GMSN SPORTS BOOSTERS 2019-2020

Annual Sports Membership Drive

GMS North Sports Boosters is a committee within the PTO volunteer organization that supports our organized after-school athletic programs at Geneva Middle School North. Our various fundraising activities provide additional funding for sports incidentals over-and-above the Geneva Community Unit 304 School District budget.

How Do We Do This?

- **We Raise Money During School Registration with our Annual Membership Drive.** Help us continue to support the tradition of excellence by becoming a member today. *Membership is just \$10.00 for the school year and your membership dollars support all of our many after-school athletic programs.*

What We Have Done for Our Athletic Department:

In the past years, GMS North Sports Boosters have provided over \$15,000.00 in additional funding for the purchase of athletic equipment, uniforms and incidentals over and above the district budget. Items include:

- **Basketball** Team Shirts • **Wrestling** Team Sweat Suits • **Volleyball** Team Uniforms
- **Football** Team: Shoulder Pad Racks, Helmets & Covers, Jerseys, and Portable Drinking Fountains
- **Cheerleading** Outfits & Pom-Poms • **Storage Boxes** for Athletic Uniforms • **AB Crunch Machine**
- **Uniform Endowment Fund**• funds set aside each year for future uniform replacement needs.

SHOW YOUR SPIRIT!!!
