

Extra! Extra!

Home Access Center: HAC provides parents and guardians with helpful information to support and guide their children through the educational process. With HAC, parents can access a convenient web portal to view their student's test scores, attendance, assignments, discipline records, and more information available anywhere and at any time. Parents can even access school information from mobile devices using the eSchoolPLUS Family app. All parents and guardians of Geneva students have access to Home Access Center. The HAC link can be found on the top toolbar in the right corner of any CUSD 304 school website.

GMSS Connects: Parents are automatically subscribed to the school's news emails, called GMSSConnects, via the email address they have entered in Home Access Center. If you are a parent and wish to update your preferred email address, please log into Home Access Center here. **TIP: Please add gmsnews@geneva304.org to your email address book or contacts to ensure these emails are not mistaken as junk by your email provider.**

304 Connects: Parents are also automatically subscribed to the District's news emails, called 304Connects, via the email address they have entered in Home Access Center. If you are a parent and wish to update your preferred email address, please log into Home Access Center here. This service provides instant information about upcoming meetings, information from past meetings, school closings, and other information that is important to our District, parents, and students. **TIP: Please add communications@geneva304.org to your email address book or contacts to ensure these emails are not mistaken as junk by your email provider!**

In School Announcements: The daily announcements made to students at the beginning of 1st period are available to parents, too! Log onto the Geneva Middle School South website then select the "Announcements" icon to view the daily summaries.

Illinois Free Lunch Program: The School District offers free lunch each school day for children who qualify for the Illinois Free Lunch Program. Applications will be available online later this summer. Only one application needs to be completed for each family.

Additional Mailing List: Is there a parent not living with the student who would benefit from receiving copies of items mailed to the student's home address? Please contact the school office and we will add them to our mailing list.
