

GMSS SPORTS BOOSTERS 2022-2023 School Year

The Sports Boosters program at GMSS supports the variety of sports that are offered to our 6th, 7th and 8th graders. Playing sports is a great way to build a child's confidence and dedication and the different athletic opportunities at GMSS allow students an opportunity to meet new people, learn to work as a team, and continue to build foundation skills in the sports they play!

Financial assistance provided by the Sports Boosters allows for concession stands, purchasing of new uniforms and equipment when needed and allows GMSS to support our student athletes.

Please consider making a financial contribution for the 2021-2022 school year. A suggested amount of \$10.00 per family would be greatly appreciated. However, any monetary donation is always welcome. You will have an opportunity to make a donation when you pay your school fees.

Sports Boosters are always looking for volunteers as well. Be on the lookout for volunteer opportunities throughout the school year.

If you have any questions, please contact Ashlee Tyberg at AshleeTyberg@gmail.com.

Thank you for your support of the GMSS Sports Boosters!
