There are two input fields: "Location" with a dropdown menu showing "Any Location" and "Illinois", and "School" with a text input field containing "Fabyan". ## Search

There are two ways to search for eBooks: browse your library's eBook collection, or search for a specific resource.

- To browse your library's eBook collection, click **See all eBooks** on the Universal Search Home page.

In the **Search** field, type your search term, and then press **Enter** or click .

Search results are organized into ribbons and tabs. If you're not sure which type of resources you want, use the ribbons—which visually highlight search results—as a guide.

To limit your search results, select a filter from the **Narrow by:** list. To narrow your search to Follett eBooks, click **Format**, and then **Follett eBook**.

The search results show if there are copies available to check out. Some eBooks have unlimited copies.

Click the cover or title for more information about an eBook.

Click **Open** to read an eBook.
