

2022 – 2023 MCES Families

The Mill Creek Elementary School (MCES) PTO would like to welcome you and your student(s)!!!

Our Mission: To promote the welfare and educational enrichment of the child in the home, at school and in the community; and to develop a close relationship between home and school, encouraging parents, teachers, and staff to cooperate in the training and teaching of our children.

How to Get Involved: We are excited that this past school year saw a return to a somewhat normal and open environment once again. We saw events return and volunteers allowed back in the classrooms! With so much positive momentum, now is the time to get involved and help make the future school years better than ever and make sure we never take for granted the togetherness we once had. The PTO has sponsored numerous events in prior years and below is just a sampling. With new state and local regulations some of these events might not occur as they once have but that doesn't mean that they must be gone completely.

Major Events

Back to School Curriculum Night
Bingo Night
Holiday Shop
Run of the Mill

Pep Rally
School Directory
Spirit Wear
Summer Playdates
Walk to School Day
Yearbooks

As the new school year approaches and the PTO moves to planning upcoming events, we ask that you take the time to volunteer and help the school and the community be a better place. Volunteerism has a 100% chance of making a difference. It will make a difference in your life, our school community, and our students' lives. We only ask for you to reach out and say that you will help. We have many ways to get involve for all types of volunteers. From chairing events, to putting together flyers, or even planning restaurant nights and coordinating newsletters and emails. You can even jump headfirst and let us know if you're interested in a board position. Time commitments can be a little as a few hours one time to as much as several hours a month. The choice is truly yours. Our community wouldn't be the same without you and we appreciate anything you have to offer!

Please join our Facebook page, Mill Creek Elementary PTO, for news and updates. You can also send an email to mces304pto@gmail.com with question or to help out. You can also print this out and return the below completed section to the school in an envelope marked PTO.
