Geneva Music Boosters is a volunteer-run organization dedicated to supporting all music programs in District 304. The number of students participating in these music programs continues to grow and we rely on the support of members and volunteers to keep the program successful. Membership fees and fundraisers allow us to provide teachers and students with the extras they need for a successful music education experience. This past year Music Boosters gave over **\$29,000** in support of our Geneva music programs including **\$12,000** in scholarships and awards and **\$16,406** in Wish List Grants. Thank you!!!

To become a member of Geneva Music Boosters, fill out the form on the reverse side and return it with your fee statement. Please remember to indicate your membership on the school fee statement as well. We depend on your help, so check off volunteer opportunities you can assist with. We will contact you at the start of the school year and as needs arise.

To find out about upcoming events, including concert dates, fundraisers, meeting dates and volunteer opportunities, please take a moment to visit our website: www.genevamusicalboosters.org
