Welcome to the start of the 2024-2025 school year at Geneva Middle School South! We anticipate an exhilarating year of learning and growth. The GMSS PTO works closely with parents, teachers, and the community to sponsor many activities and events, which support the educational enrichment of our students.

Your financial support is important to the continuation and success of GMSS PTO. We ask you to please include a \$50 PTO donation when you pay your registration fees. Your PTO donation qualifies as a tax-deductible charitable contribution* and entitles you to receive one Geneva Middle School Campus Student Directory/PTO Handbook.

The funds collected through the PTO donations received from our GMSS families will also allow us to provide worthwhile programs to all our grade levels including:

- Activities (Jivin' Geneva for all grades, 8th grade end of year party, etc.)
- Assemblies
- Building and Classroom Projects
- Classroom Libraries and Subscriptions
- Special Events

We encourage you to become involved in the many volunteer opportunities at our school. By volunteering at GMSS, you get a glimpse into your child's middle school life, become better acquainted with the faculty, and meet new friends! Your active participation with the PTO results in a better school for our students. Please take some time to review the GMSS PTO Executive Board positions and Committee descriptions that are available on the GMSS registration page. You will also receive a link for a survey to collect information regarding what committees you might be interested in being a part of. You'll be notified by a confirmation email with your chosen committee positions.

Thank you for your support and participation; if you have any questions, please contact me, Kimberly Luthin at KaLuthin@gmail.com. We are looking forward to an exciting year and look forward to working with many of you!

Regards,

Kimberly Luthin
GMSS PTO President 2024-2025
