

Geneva All Sports Boosters 4th Annual Golf Outing

The Geneva All Sports Boosters is hosting its 4th annual Golf Outing on **Monday, July 17th, 2025, at Bowes Creek County Club in Elgin, Illinois**. Golfers will tee off at 10:00AM, and enjoy drinks and local Geneva fare on the greens while participating in competitive contests and raffles. A casual reception with appetizers will conclude the outing.

We are excited to bring our outing to Bowes Creek this year. Created by Jacobson Golf Course Design, Bowes Creek is enjoyable for all levels of golfers, the 18-hole golf course ranges from 6,900 yards from the professional tees to 5,000 from the junior tees. Bowes Creek was voted Golf Advisors #1 course in Illinois. "Our goal is to make the game fun and enjoyable while making it interesting and challenging." - Rick Jacobson, Founder of Jacobson Golf Design.

The event is open to the public and we are seeking golfers, additional hole, and event sponsors to join those who have generously supported our event.

If you have further questions about the event or available sponsorship opportunities, please contact Liz Peterson via email at genevasportsboosters@gmail.com.
