

Primrose School of St. Charles West
1940 Bricher Road
St. Charles, IL 60174

Dear Primrose Parents and Community Members,

Spring has sprung! As we welcome the new beginnings this season offers, we are thrilled to start out on a high note with our Spring Fling charity fundraiser – and we would love for you to join us!

This year, Spring Fling proceeds will benefit **TriCity Family Services in Geneva; the Pediatric Cancer Research Foundation**; and the Primrose Schools Children's Foundation®, which combines funding across all Primrose schools to have a greater national impact. **The event will take place at Christ Community Church on Friday, May 17th at 5:30-7:30 p.m.** Families will enjoy raffles, DJ music, Mr. Scott's Giant Bubble Show, Subway, and tasty treats from the Byrd House Bakery!

At Primrose, giving back is something we value and teach every day. Through our *Balanced Learning*® curriculum and hands-on Primrose Promisesm Giving Events, like Spring Fling, we are able to instill that same passion for giving without expectation in our students.

The event is free to attend! We welcome you to bring family and friends to join us! We want to make this giving event as successful as possible! We're confident we can with your support! Here are a few ways you can help make this year's Spring Fling event the best one yet:

- The classrooms will have donation wish lists on their classroom doors for parents to donate to the Spring Fling Raffle Baskets
- Volunteer to assist at the event
- Purchase Spring Fling and raffle tickets

It's our mission to forge a path for a brighter future for all children – both inside and outside our school. Our Spring Fling fundraiser is one of the ways we advance our mission, and we hope you'll consider lending a hand as we begin the planning process for this event.

To sign up to volunteer or for more information about how you can help with this year's event, please contact Lisa Schmidt at lschmidt@primrosetcharleswest.com or 630-402-9080. Thank you for your support as we work together to create a brighter future for your children and others in our community and our country.

Sincerely,

Lisa Schmidt
