

STUDENT ART CONTEST

Attention young artists! Did you know there are more than 2,000 spots to plant parkway trees in Geneva? To help ensure our City stays green, first to fifth-grade Geneva students are invited to create original artwork sharing their love and knowledge of trees for the City's parkway tree calendar.

To participate, students should think about why trees are important to our community. Artwork could express how trees provide habitat for wildlife, clean the air, provide oxygen, offer shade, and create beauty and tranquility.
