

# WE WANT YOU FOR THE VIKING VENDOR!

The Viking Vendor, located in the GHS Commons, is the school store of Geneva High School. We help fund student activities throughout the year. The Vendor is open daily during lunch periods to provide school supplies and snacks to the busy student body. Working in teams of three, Viking Vendor volunteers have the unique opportunity to interact with the students when they come in for their daily snack or that last minute school supply need. It is a **very busy** store environment and our volunteers love it!!

If you are interested in a commitment of an approximately once every 6-8 weeks shift 10:10am - 1:15pm, we want you! A required informational and training meeting will be held just before schools starts so you know the ropes. Join a fun and exciting Volunteer team! Questions? Please email us at [ghsvikingvendor@gmail.com](mailto:ghsvikingvendor@gmail.com). **SEE OTHER SIDE TO SIGN UP for our lottery of positions and you must return this form to GHS office by Wednesday, July 17th.**

**In addition to a regular shift**, we need individuals interested in being called as a last minute substitution when our volunteers can't make it due to unforeseen reasons. If you have a flexible schedule and would be willing to be contacted at the last minute to fill in, let us know. We'd love you to ***also*** join our substitute team!

**I am *ALSO* interested in being on the substitute team!**
